

Services

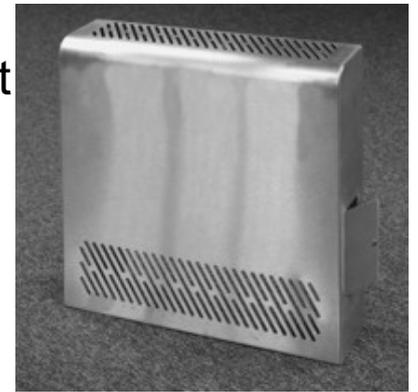

Free Design and Survey

Coverad's free design service, including a detailed site survey, is carried out by our professional, experienced National Sales Team covering the whole of the UK and Ireland.

High Quality Manufacture

Coverad are a UK manufacturer. We ensure that all of our products are manufactured to the highest quality specification our customers have come to expect from a market leading company.

Dedicated Installation

Coverad approved installation engineers provide our customers with a highly professional dedicated service. Their many years of experience enable them to work with flexibility around the operational needs of all environments. They are fully equipped with the latest equipment, vehicles and PPE.

Experienced Customer Service

Dedicated Coverad staff ensure a smooth transition from the initial survey through to delivery and installation, assisting our customers at every stage of the process.

These services are the product of successfully supplying over 200,000 radiator covers in Hospitals, Nursing Homes, Schools, Nurseries, Prisons, Commercial Buildings and many other properties.
